

White Vinegar– The Housekeeper’s Helper!

Deodorize Your Sink: Pour a cup of baking soda followed by one cup of hot vinegar down your kitchen drain. Let sit for five minutes, then rinse with hot water.

Clean Counter Tops: Wipe down with rag dipped in vinegar.

Clean Refrigerator: Wipe shelves and walls with a mixture of half vinegar/half water.

Disinfect Wood Cutting Board: Wash with vinegar.

Remove deposits from coffee maker: Run a cycle with one cup of vinegar; then run water through twice to remove vinegar odor.
